CANCELLATION SB AS350-001

Dear Customer,

A review of FDC Service Bulletin AS350-001 required clarification of the compliance instructions, as the SB advised "repeated inspections until the firewall is reinforced."

This was to be amended to read "repeated inspections until the firewall is repaired."

In light of the fact that both inspection and repair , also the modification can be complied with IAW the manufacturers requirements and AC43, FDC SB AS350-001 is hereby canceled.

Yours Faithfully
