S 76 FILTER ELEMENT KIT 1076K20-1

Dear Operator,

We frequently get asked about a single part number for replacement element sets (kit) for the S-76.

When placing an order for an element set, please use Part Number **1076K20-1**.

This kit includes the following:

2 x Main Element	FDC P/N 1076 A2-1	[SAC P/N 76302-07800-103]
2 x Front Element	FDC P/N 1076 A4-3	[SAC P/N 76302-07800-104]

Our documents will be updated to reflect this shortly.
